

VITA – Demographics Survey

The VITA program is administered by Central Berkshire Habitat for Humanity and is partially funded by community partners. To make sure we are serving our diverse community we collect optional demographic information. Please help us to keep this program running at its best by completing this confidential survey. The information gathered will only be used in aggregate and does not affect your tax return in any way.

TAXPAYER

Gender

- Male
- Female
- Prefer not to answer
