

## Dean's List

Undergraduate matriculated students who take a minimum of six credits during the semester and achieve a minimum grade point average of 3.30 with no incomplete grades are placed on the semester's Dean's List. Students receiving "I" or "PC" grades are ineligible for the Dean's List for that term. The final date for students to qualify for the Dean's List is the last day for reporting grades each semester. This date is determined by the Registrar and the Dean of Academic Affairs. For more information contact the Registrar's Office.
