Powerful Words for a Winning Resume

April 8, 2013 by RedStarResume

In today's society, your resume is the most important document you have to get yourself an interview.

Including power resume words will increase your chance of getting hired by 80%!

When a hiring manager is seeing the same old resume time and time again (which includes the cliché words and phrases such as "highly dedicated individual" or "great team player") you are guaranteeing yourself your resume will be deleted.

Poorly chosen words and clichéd phrases can destroy the interest of the reader. Power words when chosen correctly can have the opposite effect of motivating and inspiring the reader.

Power Resume Words will make help you stand out from your competition and increase your chances of getting hired!
