The following course should be marked as repeated on my Academic Record:

Original Course Number	Course Title	Semester/Year

Repeated Course Number	Course Title	Semester/Year

I understand that repeating courses for which a grade other than "F" is earned could impact Financial Aid eligibility.

*I understand that the new grade replaces the original grade in my cumulative average.
The original grade will remain on my Transcript, factored out of the GPA and marked as repeated.*

Student Signature : _____ Date: _____

Advisor Approval

The above repeat request is appropriate.
