

Summer Student Housing Program

Sunday, May 21 - Friday, August 11, 2017

Residential Programs & Services at MCLA

In order to participate in the Summer Student Housing Program (SSHP), you must be enrolled in summer classes and/or an academic internship. Employment (on or off-campus) alone is generally not sufficient to participate in the Program unless special permission is granted by the Director of RPS.

Due to the constraints of summer conferences and construction projects, we are not able to offer on-campus housing before the SSHP starts or after the SSHP ends. Students need to move out of the residence areas no later than Monday, May 8th and return to campus for the Summer Student Housing Program no earlier than Sunday, May 21st. Likewise, students need to vacate their summer assignment no later than Friday, August 11th and not return for fall check-in until Monday, September 4th.

NOTE: Storage for student belongings is not available before or after the Summer Student Housing Program. All belongings must be brought home or stored elsewhere. A listing of local storage facilities is available at the RPS office in Townhouse #89.

Name: _____ Campus Tel. #: _____

"A" Number: _____ Cell Phone #: _____

P.O. Box Number: _____ Current Room Assignment: _____

I require housing due to: _____ An Academic Internship _____ Summer Classes
