Step #3: Once in Canvas, you will see a course called “Kickoff to College Fall 2022”

The screenshot shows the Canvas dashboard for the course "Kickoff to College Fall 2022". On the left is a dark blue navigation sidebar with icons for Account, Dashboard, Courses, Calendar, Inbox, History, Commons, and Help. The main content area is titled "Dashboard" and is divided into two sections: "Published Courses (1)" and "Unpublished Courses (0)". Under "Published Courses", there is a card for "Kickoff to College Fall 2022" featuring a blue and gold "TRAILBLAZERS MCLA" logo. On the right side, there are three sections: "Coming Up" with a "View Calendar" link, "Recent Feedback" with a "Nothing for now" message, and two buttons: "Start a New Course" and "View Grades".

Step #4: The syllabus page will look familiar! It’s the same page you used to pay your enrollment deposit! On the side navigation, you’ll see links to a campus directory, the virtual campus tour, and more. The tab called “Modules” is where all the fun begins!

The screenshot shows the Canvas syllabus page for "Kickoff to College Fall 2022". The breadcrumb trail at the top reads "Kickoff-F22 > Syllabus". On the left sidebar, the "Modules" link is highlighted with a red box. The main content area features a large blue banner with the text "WELCOME TO MCLA!" and "CLASS OF 2026 & TRANSFER STUDENTS" next to an illustration of ornate white double doors. Below the banner, a message reads: "Congratulations on your acceptance to MCLA! We would like to officially welcome you and are delighted you will be joining our". On the right side, there is an "Immersive Reader" button, a "View Course Stream" button, a "View Course Calendar" button, a "View Course Notifications" button, and a "To Do" section with a "Nothing for now" message.

Step #5: The modules will assist in teaching you things about MCLA and help you do your next steps at MCLA. As you complete each module, you’ll earn badges. Collect all the badges and get a prize! Please note, you have to move through the modules one at a time, you can’t jump ahead!
