

Summer 2021 Financial Aid Application

To be considered for summer financial aid and loan programs, you must be a currently enrolled MCLA student making Satisfactory Academic Progress toward achieving your degree or certificate. You must also have already completed the 2020-2021 Free Application for Federal Student Aid (FAFSA).

For the College to process summer aid, you must register and remain enrolled for at least six (6) credit hours as a matriculated student. If your credit hours are divided between summer sessions, your funds cannot be processed until the refund period of your last session has ended. The Student Accounts Office will be informed of your application and will wait for the loan proceeds to be disbursed by your lender.
