

Dear Financial Aid Office,

I, \_\_\_\_\_, have attempted to obtain my 2021 Verification of Nonfiling from the IRS or other tax authorities. However, I was unable to obtain the required documentation. I was not required to file a 2021 Income Tax Return.

If there was income earned in 2021, I will list the sources and attach a copy of my 2021 W-2's

Sincerely,

\_\_\_\_\_ Date: \_\_\_\_\_
