LAUNDRY ROOM PROGRAM

LAUNDRY ROOM TIPS

- Sort clothes by color
  - Dark
  - Medium
  - Light / White
- Sort clothes by material
  - Towels and heavy clothes should be separated from lighter fabrics
  - Fabrics that shed lint should be kept from fabrics that attract lint

HOW TO WASH AND DRY

- WASH
  - Add detergent or place a pod into the drum
  - Load washer leaving about 5 inches from the top of the machine
  - Select your cycle
  - Insert payment (if applicable)
- DRY
  - Clean lint screen for maximum air flow
  - Select temperature
  - Select cycle
  - Insert payment (if applicable)

SOAP TIPS

Laundry Pods
Use one pod per load and place it in the tub

Fabric Softener
Protects your fabrics and adds a layer of softness to clothes

Detergent
Use HE detergent and follow the recommended dose (less is more)

Dryer Sheets
Place one dryer sheet in the dryer to remove static

*Do not use powdered soap in the laundry machines

CAMPUSVIEW MONITORING

1. Download the CampusView monitoring app
2. Type in the machine number, SRC code (found on instructional signage in the laundry room), or scan the QR code on the machine.

CampusView allows you to:

1. View laundry room availability
2. Receive machine status updates
3. Request service in the app

A Smoother Laundry Journey

Let's be clear – using the KioSoft CampusView app is not mandatory for operating the laundry units. However, the app offers numerous advantages that we believe will transform your laundry experience for the better.

Here's what you can expect:

1. **Real-time Laundry Updates:** With the KioSoft CampusView app, you'll gain full access to real-time information on the availability of washers and dryers in our facilities. No more wasted trips to find all the machines in use, and you can see how many minutes are left on a unit that's currently running.

2. **Convenient Notifications:** One of the standout features of the app is the ability to set up notifications. Get alerted when your laundry cycle is complete, saving you precious time and ensuring you can promptly retrieve your fresh, clean clothes.

3. **Streamlined Maintenance Requests:** Should you encounter a laundry unit in need of service or maintenance, the KioSoft CampusView app allows you to request assistance with ease, ensuring our facilities remain in optimal working condition.

How to Transition to KioSoft CampusView

Transitioning to the KioSoft CampusView laundry app is a simple process. Just follow these easy steps:

1. **Download the App:** Visit your device's app store and download the KioSoft CampusView app.

2. **Manual Entry:** Upon opening the app, click on the blue button that reads "Enter SRC Code Manually."

3. **Enter School Code:** Enter **MCLA's** school code, which is **FLS0221**.

4. **Register an Account:** Click the blue button to register an account. You'll be prompted to enter your email address, create a password, and provide your phone number. After completing this information, click "Submit."

5. **Verification Code:** A 4-digit verification code will be sent to your phone via text message. Enter this code into the app and click "Continue."

Congratulations, you're all set! You can now enjoy the convenience of the KioSoft CampusView app for all your laundry needs.
