  - a. For the original \$654,699 funding under CARES Act Section 18004(a)(1), students were asked to apply for funding through an application process. That process is described in prior quarterly reporting. Students also received block grants determined through a student's estimated family contribution (EFC).
  - b. For HEERF II funding received through the CARES Appropriations Act (CRRSAA), students received funding based on a student's 2020-2021 Expected Family Contribution (EFC). Part-time students received a pro-rated amount with students enrolled for 1-5 credits receiving 25% of their EFCs ranges award; students enrolled for 6-8 credits receiving 50%, and students enrolled for 9-11 credits receiving 75%. Students were marked as ineligible if they had select discipline items.

Block Grant Awards for full-time students were determined as follows:

<b>EFC Range</b>	<b>Block Award</b>	<b>Total Students</b>
\$0 to \$2,855 (Pell)	\$1,065	329
\$2,856 to \$5,711 (Pell)	\$990	81
